BOOKLIST INFORMATION	Digital on BoB	Digital on BoB & Physical	Physical Only & Miscellaneous
<p>Where available, Box of Books offers the option of “Digital on BoB &amp; Physical” or the cheaper option of “Digital on BoB”. When the school requires students to use a specific format, this is noted on the booklist. Where not indicated, students can select either option based on their preference.</p>			
<p>Once purchased, the digital texts can be accessed by signing in to the student’s Box of Books account. We strongly recommend students sign in to Box of Books before the start of school to ensure their textbooks and publisher interactives (e.g. online quizzes) are set up prior to the commencement of term.</p>			
<p><a href="#">Please click here for more information on accessing your digital resources.</a></p>			
<p>To ensure you receive all available items in time for the commencement of the academic year, please order by <b>Sunday, 8 December 2024.</b></p>			
<p><b>VCE non-ATAR program:</b> Before ordering resources please speak with your teacher to determine which resources are required for the non-ATAR program.</p>

BRING YOUR OWN DEVICE (BYOD)	Digital on BoB	Digital on BoB & Physical	Physical Only & Miscellaneous
<p><b>At Sunshine College all students in year 11 &amp; 12 are encouraged to bring a laptop to school.</b></p> <p>Families have the option to purchase through our recommended supplied Learning With Technologies (LWT) or supplying their own laptop. The purchase of Tablets and Google Chromebooks are discouraged. These devices do not provide the necessary access, functionality and compatibility required for our programs and may limit your child's learning experience. Students who supply their own laptop must have a device that aligns with the school's recommended specifications to fully support their educational needs which will be able to access and connect to the school's network.</p> <p>While we understand this is not an option for some families, we've worked with LWT to ensure families have access to affordable options which are suitable for our education program. The College selects devices offerings across a number of price points that meet our requirements, and reviews the devices offered year-by-year. Device offerings are selected with durability in mind, and will include a 3 year warranty and insurance for peace of mind. Should you wish to purchase from a different retailer please check the Sunshine College website for minimum specifications and the schools BYOD policy.</p> <p><a href="https://sunshinecollege.orderportal.com.au/">https://sunshinecollege.orderportal.com.au/</a></p>
